Tender No.	1141
Page no.	6/39

14. The arrangement of the road permit for the supply of the tendered items at the specified location in the respected state will be done by the tenderer. However the reference/correspondence letter will be issued to the tenderer if required with the request to the UTIITSL in writing.

15. Incomplete tenders are liable to be rejected.

Criteria for Pre-qualification of contractors and Evaluation of Performance

The tenderer shall fulfill any of the following condition to get pre-qualified in the tender;

- a. Three similar completed works (at least one of them should be in Central Government / Financial Institutions / Public Sector undertaking) costing not less than the amount equal to 40% of estimated cost i.e. **Rs320,000.00 in the last Three years ending the last day of the month previous to the one in which the tenders are invited.**
- b. Two Similar Works (at least one of them should be in Central Government / Financial Institutions / Public Sector undertaking), costing not less than the amount equal to 50% of the estimated cost i.e. Rs. **400,000.00 in the last Three years ending the last day of the month previous to the one in which the tenders are invited.**
- c. One similar work of aggregate cost not less than the amount equal to 80% of the estimated cost i.e. Rs. **640,000.00 in the last 3 years ending the last day of the month previous to the one in which the tenders are invited.**
- d. The Certificate of Turn over for the year **2012-2013 and 13-14 shall be 50 lakhs to be submitted**

Important :

16. **The bidders are required to attach a relevant copy of work orders, work completion certificates from the authority from whom the work is carried out and also company profiles. Further, e-mail ID and contact No to be mentioned on the sealed cover.**

B. Opening of the Tender:

1. The sealed tenders will be opened in the presence of the authorized official of the UTI ITSL/ CLIENT on the day as specified on the cover page.
2. Intending tenderers who wish to be present at the time of opening of tenders may be present at the office address as mentioned in page no. 3 point on Note. 2 on the day fixed for opening of the tender.

C. Acceptance of the tender :

1. The rates quoted by the contractors should be valid as specified in the cover page.
2. UTI ITSL reserves the right to accept / reject summarily any / all tenders in whole or part thereof without assigning any reason whatsoever and also does not bind itself to accept the lowest or any other tender.

Client ID	60
Tender No.	1141
Page no.	7/39

3. It will be open to UTI ITSL to negotiate the terms including the rates quoted with the lowest tenderer. The negotiated price by UTI ITSL will be the contract value and work order will be placed for the said amount.

3(a) After opening of the tenders UTI ITSL would prepare the tender opening sheet ,the statement of amount quoted and hand over the same to LIC HFL, for further scrutiny of the tenders as LIC HFL, is the client who has engaged UTI ITSL as consultant and is the carrying out the work and the payment authority for the aforesaid work.

3 (b) It will be open for LIF HFL, to review the tenders, negotiate with the bidders as per LIC HFL, rules and regulation. LIC HFL, would be the authority to decided on the vender/tenderer/bidder to whom the work is to be awarded on the basis of the negotiations carried out by them.

3(c) After the finalization of the bidder by LIC HFL, as mentioned herein above the work order be placed by UTI ITSL on behalf of LIC HFL, for carrying out the work.

3(d) It is clarified that UTI ITSL shall have no say or n recommendation or any interference in the award of work which will be completely under the jurisdiction of LIC HFL, and completely as per the discretion of LIC HFL.

4. The tenders for the work shall remain for acceptance for a period as specified on the cover page or the period that may be extended by mutual agreement and the tenderers shall not cancel / withdraw the tenders during that period.
5. Each tenderer must submit an Earnest Money Deposit as mentioned on the cover page (page no. 1) of the tender in the form of a **Demand Draft only** in favour of “**UTI INFRASTRUCTURE TECHNOLOGY AND SERVICES LTD.**” payable at Mumbai drawn on any Nationalised bank/Scheduled Bank. **The Demand Draft should be placed in a separate envelope** and the tender document duly filled shall along with the tender duly marked with details. **No tender will be received with out EMD. The EMD will not carry any interest.** In case of failure on the part of the contractor for commencement of work / delay in execution of the project, the said amount shall be forfeited.
6. The Earnest Money will be returned to the unsuccessful tenderer after the intimation of rejection of the tender is sent. The Earnest Money will be retained in the case of the successful tenderer and will get converted as a part of Security Deposit for the due performance of the contract.
7. **Earnest Money Deposit will be forfeited, if the contractor:**
 - a. Revokes the tender or increases the earlier quoted rates within the validity period.
 - b. Refuse, delay to sign and execute the contract after tender is accepted.

Client ID	60
Tender No.	1141
Page no.	8/39

c. Does not commence the work within the time specified in the letter of intent/work order or 7 days from the issue of such letter, whichever is later.

8. The tenders will be rejected if ;

- a. *If EMD is not submitted,*
- b. *If the contractor does not quote any of the item / sub-item in the tender*
- c. *If the contractors makes the correction in the rate while quoting and not countersigned duly stamped at that particular item of work.*
- d. *If the contractor is not empanelled with UTIITSL and does not meet the eligibility criteria.*
- e. *If the contractor proposes any alterations to any of the conditions laid down or proposes any other conditions of any description whatsoever.*

9. The tenders which do not fulfill any of the prescribed conditions will not be accepted.

10. Canvassing in connection with the tender is strictly prohibited.

11. **In case the performance of the Contractor is observed to be not satisfactory his tender may not be considered.**

D. Execution of Work :

1. The work should commence *within the period specified on the cover page* from the date of the receipt of work order or the date that may be indicated in the work order. Accordingly, date of commencement of the work will be reckoned from the day as specified in the cover page.
2. The *work should be completed as specified on the cover page calculated* from the date of commencement of the work or within the time limit that may be indicated in the work order.
3. Time allowed for execution of work, as specified in tender, shall be the essence of the contract.
4. If the tenderer commits default in commencing the work, as required by the work order and found that the date stipulated cannot be adhered to, UTI ITSL shall be entitled without prejudice to any other rights or remedies available may terminate / rescind the contract.
5. If the tenderer fails to carry out the work within the stipulated time mentioned in the work order, the UTI ITSL will have liberty *to impose penalty @ 2% of the certified final bill per week* of delay subject to an overall limit of 10%, without prejudice to other

Client ID	60
Tender No.	1141
Page no.	9/39

remedies available. The tenderer has to pay to UTI ITSL such amount that may fall short over the amount due to them, if any.

6. However, if UTI ITSL is convinced that the delay in execution of the work is beyond the circumstances created by the tenderer, they may award extension of the same to the extent they feel justified based on the request of the tenderer. In such case liquidated damages will be levied for the balance period, if any as provided as per the condition of the tender.
7. If the tenderer fails to commence the work within the days as specified on the cover page from the date of receipt of intimation for commencement of the work and / or the contractor fails to show progress in execution of work and UTI ITSL feels the work cannot be completed within the stipulated time, UTI ITSL will have the right to terminate the contract by **giving three days notice** to the Contractor, at the full discretion of UTI ITSL and the decision of UTI ITSL will be final and binding. In case of termination of the contract, the payment if any, due to the contractor will be released only on completion of the entire project. The amount that may be spent for completion of the balance work will be recovered from the contractor. It will be the full discretion of UTI ITSL to carry out the balance work through any agency at any rate as per the specification.
8. All the *materials and workmanship* shall be of the kind described in the schedule of quantities / specifications and in accordance with relevant BIS codes and as per directions of the Engineer-in-charge.
9. The tenderers shall submit photocopies / original vouchers / challans etc., for verification of actual purchases of any material, if so, desired by the Engineer-in-charge.
10. The contractor shall submit manufacturers' test certificates for all important materials and in case if so desired by UTIITSL will have to carry out testing of materials brought on site at their own cost in any institute / laboratory / site of works as desired by the Engineer-in-charge. No extra claim will be entertained for such testing of materials.
11. The tenderer shall not at any time do, cause or permit any nuisance on the site/ do anything which shall cause unnecessary disturbances or inconvenience to the occupants / visitors at site or near the site of work.
12. The quantities indicated in the bill of quantities are approximate and the quantities may vary as per the site conditions / requirements. The rate quoted should be firm for the total quantities of work executed to complete the work.
13. The tenderer's workers will not be allowed to stay at the work site.

Client ID	60
Tender No.	1141
Page no.	10/39

14. The tenderer or his workers can use the common facilities such as drinking water, toilet etc., provided at the premises. However, it should be ensured that the same should be kept in hygienic condition.
15. Water and Electricity as per the availability at site can be made use of by the contractor. If not available the contractor has to arrange it on his own. The charges for actual consumption of water and electricity shall be payable by the contractor.
16. In case of any damage to the existing structure, the tenderer should rectify the same free of cost up to the satisfaction of the Engineer-in Charge.
17. UTI ITSL will have the liberty to modify the design to a reasonable limit. No extra charges will be paid for execution after such modification.
18. The tenderer should protect the work till its completion and handing over against any possible damage, theft, scratches, etc.
19. The tenderer has to make arrangements for cleaning the work site every day and on completion of the work from the work area at his cost.
20. The tenderer should provide samples of the materials for approval of UTI ITSL and the samples will be kept in the custody of the Engineer-in-charge.
21. Wherever possible the work has to be carried out at the factory of the contractor and the items to be transported to the site.
22. The tenderer should make necessary arrangement for inspection of the items made at his factory / work place by the Engineer-in-charge. The tenderer should complete fabrication and other works at factory and only assembling work and the finishing may be carried out at the site.
23. The tenderer should abide by the rules and regulations for the premises especially on the working hours, entry to the workers to the premises, interpersonal relation with the staff members and other agencies engaged at the site.
24. The tenderer should make necessary arrangement for covering of all the furniture items/ records, if any of the client with cover / cloth during the course of work.
25. **The tenderer should arrange a qualified technical supervisor at site during the course of the entire work.** The tenderer should not change the supervisor till completion of the work. The supervisor should be available at site when the work is in progress.
26. Any damage / loss to UTI ITSL will be rectified at the cost & risk of the contractor.
27. The workmanship should be of high quality / standard and the decision of the Engineer-in-charge / Consultant shall be final in the regards.

Client ID	60
Tender No.	1141
Page no.	11/39

28. The tenderer should not apply primer / putty work / paint or any other finishing material before inspection and certification of the wood work by the Engineer – in – Charge.
29. The tenderer should not engage any person prohibited by the law for execution of the job.
30. The tenderer should carry out the work strictly as per the specification and as directed by the Engineer-in- Charge.
31. All the materials proposed to be used should have the approval of UTI ITSL.
32. The materials required for the work **should be purchased only from the manufactures directly or from the approved dealers**. Confirmation for the same may be submitted if so desired.
33. The tenderer should strictly follow the approved colour scheme. The colour scheme will be intimated to the contractor within a week from the date of issue of the work order. However UTI ITSL has the liberty to make any other modifications as per requirements.
34. The dismantled material / debris should be removed from the site daily and be transported out to the place as designated by the Municipal Corporation at his own cost.
35. The tenderer should make his own arrangement for storage of materials. UTI ITSL may provide some space subject to availability (uncovered) within the premises for storage purpose. Materials only as per requirement are to be stored at site. Security for the material such stood/lying at site will be arranged by the contractor.
36. It is the responsibility of the contractor to get the confirmation certificate from the client after virtual completion of the work.
37. All the electrification work shall be carried out by the licensed electrician under the supervision of licensed electrical contractor. After completion of the work, they shall submit the test certificate for the electrical work carried out by them.
38. the contractor need to clean the premises on day to day basis.
In case the work **is** required to be carried out on holidays, Sundays, night hours, after& office hours necessary permission shall be obtained from the client/ UTIITSL

E Payments :

1. a No advance payment shall be released

Client ID	60
Tender No.	1141
Page no.	12/39

b) 30% of contract amount shall be released against delivery of materials at site as specification, AND joint measurement on submission of Bills.

c) Balance payment shall be released after completion of work.

2. Final Bill settlement within 30 days from the date of proper submission of all required documents and joint verification of measurements at site.

a. Billing is to be done in the name of the client as specified on cover page (page no. 1) of the tender.

1(b) The Contractor has to submit the bill strictly as per the format of the specifications as mentioned on the bill of quantities in the tender document.

1. The running account bills will be released timely for the completed items of work and for the partly completed items based on the percentage of the work executed on proper submission of the bill together with the measurements of the work carried out. The Security Deposit, other statutory deduction and any other amounts as may be deductible / recoverable as per the terms and conditions of contract will be deducted from the running bills.
2. The payment towards the settlement of running bills will be treated as the advance towards settlement of final bill.
3. 10% of the value of each running bill will be deducted as Retention Money / Security Deposit.
4. The final bill will be released on satisfactory completion of the entire work and on completion of all the terms and conditions / obligations spelt out and on proper submission of the bill together with the measurements.
5. 50% of the Security Deposit will be refunded together with the final bill. The remaining 50% will be returned to the tenderer after the completion of defect liability period of 12months. **Before releasing the security deposit, it is mandatory that the contractor has to take the completion certificate from the respective branch official.**
6. The contractor should approach the concerned Client immediately on completion of the 'Defect liability Period' and obtain such certificate so that the Security Deposit can be released. In the event that some rectification or some repairs have to be carried out, the same should be completed and got certified from the concern Client and forwarded to us for releasing the Security Deposit.
7. **Note: It is responsibility of the contractor to take the no objection certificate/ no defects certificate from the concerned official on completion of the defect liability period. UTIITSL/ Client would not be responsible for the certificate.**

Client ID	60
Tender No.	1141
Page no.	13/39

8. In case the no defect certificate / no objection certificate is not taken by the contractor, S.D will not be released till such time UTIITSL has a satisfactory note on successful completion of the DLP. It is the responsibility of the contractor to take the no defect certificate from the concern official on completion of DLP. UTIITSL will not be responsible for the certificate.
9. Income Tax, Sales Tax on Work Contract, VAT, Cess and / or any other Statutory deductions as per the prevailing rules at the time of execution will be deducted from the payable amount for which certificate will be issued in favour of the tenderer.
10. Tenderer will not be entitled to any interest on Retention Money or any Running account bill money for the time it will remain with the UTIITSL/Client.
11. The items of works as well as the approximate quantities against these items as given in the schedule of *quantities and the same should not be considered precise quantity of works to be carried out*. The tenderer shall be paid on the basis of the actual quantity of completed work as per the provisions of the contract and as per the specifications.
12. It is possible that certain extra items of work may come up during the course of work. The payment for such items will be made based on Engineering/Market rate analysis. A component of 15% on the cost of material (actual purchase cost / market price without any wastage) and labour will be considered as tenderers profit and other overheads.
13. The Tax invoice and the abstract of the bill should be submitted strictly as per the approved format of UTIITSL.
14. The bill should be attached with all necessary measurements, sketches, joint measurements (if any).

F. Escalation :

1. *No escalation* in rate shall be paid for the works carried out.
2. No claim on account of fluctuation of rates of material and labour will be entertained during the course of work – (from the date of acceptance of the Tender till issue of completion certificate).

G. Defect Liability Period :

1. Defect Liability Period as per the terms of the contract is **12 months** from the date of virtual completion of the work. The work will be considered as virtually completed

Client ID	60
Tender No.	1141
Page no.	14/39

only when the tenderer completes the entire work as per the specification and joint inspection of work by the Engineer-in-charge and tenderer.

2. The **Security Deposit** will be refunded only after the defect liability period of *12 months* and rectification of the defects occurred whether pointed out in inviting or not. It will be the duty of the contractor to inspect the site for defects and rectify the defects within the defect liability period.
3. During the course of Defect Liability Period the tenderer has to rectify all the defects, if any, noticed free of charge.
4. In case the tenderer fails to attend the rectification work within 7 days of reporting the same in writing, UTIITSL will have the liberty to carry out the said work through some other contractor at the cost & risk of the tenderer. Such expenditure incurred to the client will be recovered from the Security Deposit. In case any expenditure incurred is more than the Security Deposit, the tenderer should pay the difference that may fall short.
5. While carrying out the rectification work, the tenderer should ensure that the surroundings should be protected against any possible damage. In case of any damage, the same should be made good by the tenderer.

H. Statutory obligations to be followed:

1. The tenderer should ensure adherence of all statutory requirements under the State and Central Rules in force and other local bodies for smooth and timely completion without any additional cost.
2. The tenderer shall comply with the provisions of all the rules and regulation in respect of labours engaged at site (such as Contract Labour {Regulation & Abolition} Act, 1970, Minimum Wages Act, Apprentice Act and all other labour laws as may be enforced from time to time by the Government Authorities) for execution of work, procurement of material for completion of the entire project. UTI ITSL shall not be held responsible for any penalty on failure of any of the labour regulations or on failure of any compliance of any rule in force.
3. The tenderer shall strictly comply with the provision of Sales Tax (both State & Central), Excise Duty, etc. All the duties / taxes with respect to the work should be borne and paid by the tenderer himself. UTI ITSL shall not be responsible for any payment/ penalty on this account at any stage.
4. The goods are manufactured at the tenderers office / site, the tenderer has to pay Central Excise and he has to produce Excise Invoice Copy for removal of goods from

Client ID	60
Tender No.	1141
Page no.	15/39

the manufacturing site. In case the goods are manufactured or produced at the site then Excise Invoice showing that the Central Excise has been paid should be submitted to UTI ITSL.

5. The tenderer should submit a statement confirming that all duties / taxes of every nature covered under the contract have been paid and the tenderer shall indemnify the UTI ITSL against all claims in that behalf.
6. The tenderer should ensure adherence of all the requirements under the State and Central Rules in force.
7. The tenderers should submit an affidavit / Declaration on payment of Central Excise as per the enclosed format.
8. The tenderer should also submit when required, a copy of the declaration filed with the Central Excise for the last financial year.
9. The tenderers are required to take *Contractor's All Risk insurance policies* (CAR Policies) with respect to the work within one week from the receipt of the work order and workmen compensation policy from an approved general Indian Insurance Company in the joint name of the CLIENT and the Tenderer from the day of commencement of work till the defect liability period.
10. The value of the work to be insured would be 125% of the contract value for CAR policy part I.
11. The CAR policies should have additional coverage under 3rd party liabilities and maintenance period. The liabilities should be One Lakh Rupees per accident and the number of accidents should be infinity. The maintenance period shall be the defect liability period as per the terms of the contract. The photocopies of the premium receipt and the policies should be submitted to UTI ITSL.
12. The tenderer has also to insure their workers under Workman's compensation Act-1923 and obtain an insurance policy for the contract period.
13. UTI ITSL will have the right to protect its interest either by taking insurance directly or by any action that may deem fit on account of the tenderer and recover the same from the tenderer incase the tenderer fail to do so.

I. Responsibilities of the tenderer

1. The tenderer should enter into an agreement as per the articles of agreement on stamp paper attached with this notice within 7 days of issue of acceptance of the tender.
2. The tenderer shall not sublet the work without written approval from UTI ITSL.

3. The tenderer should co-ordinate with all the other contractors for execution of the project.
4. The tenderer should set out the layout at site before commencement of work and obtain approval to the same from UTI ITSL.
5. The contractor should arrange for sufficient light & power point required for entire project at his cost.
6. The tenderer should clear the site within 7 days of virtual completion of work of all material not paid for.
7. The tenderer should submit the Material procurement schedule and bar chart of work before commencement of the work within 7 days of receipt of work order.
8. The tenderer should take adequate precaution against fire hazard at site. The tenderer should ensure that all fire safety measures are taken during execution and that the work carried out is as per the fire safety norms of the local Fire office.
9. The tenderer should arrange scaffoldings / ladders for proper execution of work, also to ensure safety of the workers as per the relevant provisions of the law.
10. The tenderer should submit rate analysis for the extra/deviated items of work before commencement of the work.
11. The tenderer should submit samples of the material proposed to be used for the approval of UTI ITSL.
12. The tenderer should prepare mock-up of the items for the approval of the UTI ITSL and as per the advice of UTI ITSL, the contractor has to modify the mock-up samples till it meets with the approval of the UTI ITSL. The expenditure that may be incurred for making the mock-up samples should be included in the respective items of work.
13. In case the tenderer is a partnership firm, any change in the constitution of the firm shall take place only with the prior approval of UTI ITSL during the contract period.
14. The tenderer should submit shop drawings for all the items for the approval of UTI ITSL before execution of each item of work.
15. The tenderer should remove the rejected work / materials immediately on receipt of instruction to do so.
16. The tenderer has to ensure safety of the premises and the work till handing over of the same to UTI ITSL.
17. The UTI ITSL is only a Consultant acting on behalf of the Client, M/s LIC HFL no Arbitration or legal claim will stand against it. The claim, if any with regard to

Client ID	60
Tender No.	1141
Page no.	17/39

work/payment etc. will be only limited to the client M/s LIC HFL as mentioned and not against UTIITSL.

18. The Contractor should strictly follow up the rule of the building Societies for executing the job times schedules etc.

20. Service Tax alongwith Education Cess and Secondary and Higher Education Cess as applicable to work Contract Services in terms of Section 66 B and Section 67 of Finance Act, 1994 read with Rule 2A of Service Tax (Determination of Value) Rules, 2006 shall be chargeable on the Contract. The quantum of Service tax chargeable by service provider shall be determined in terms of Service 68 (2) of Finance Act, 1994 read with Rule 2(1) (d)(i)(F) of Service Tax Registration Certificate of services provider to be enclosed along with tender application.

- The special conditions annexed with this notice has to be strictly followed.
- This notice shall form part of the contract.

DEVIATION, VARIATION, EXTRA / DEVIATED ITEMS AND PRICING :

The rates of such altered, additional or substituted works shall be determined in accordance with the following.

- a. The net rates or prices in the original tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein.
- b. The net price of the items in the original tender shall determine the value of the items omitted. However, if omissions vary the conditions under which any remaining items of the work are carried out or if the amount of any omission relative to the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the UTIITSL, the net rate or price contained in the Priced Schedule of Quantities or Tender or for any item of work involves loss or expenses beyond that reasonably contemplated by the Contractor and is by reason of such omission rendered unreasonable or inapplicable, the UTIITSL shall fix

Client ID	60
Tender No.	1141
Page no.	18/39

another rate or price as in the circumstance UTIITSL shall think reasonable and proper.

- c. If the rate for any altered, additional, or substituted item of work is not specified in the schedule of quantities, the rate for that item shall be derived from the rate for the nearest similar item specified therein.
- d. If the rate for altered, additional or substituted item of work cannot be determined in the manner specified above, then such items of work shall be priced on the basis of rates for labour and materials as per the market rate prevailing at the time of execution.
- e. While fixing rates of extra items 15% (Fifteen percent only) shall be allowed on the cost of material and labour to cover all supervision, overheads, statutory Taxes except service tax and Levies and profits except service tax.
- f. Items for which the rates, as assessed by the UTIITSL are higher or lower by more than 35% of the market rates shall be termed as Abnormally High Rated Items (AHRI) and Abnormally Low Rated Items (ALRI) respectively. The deviation limit for variation in quantities of AHRI & ALRI shall be 25% in foundation and plinth, and 15% in super-structure. Quantities in excess of the deviation limit shall be treated as extra items of work and priced accordingly as above. The decision of the UTIITSL on categorization of items as AHRI / ALRI shall be final and binding.
- g. For all extra items of work, the contractor should submit to the concerned UTIITSL Engineer the necessary particulars along with his analysis and the rate he proposes to claim for consideration immediately or latest within a period of 4 (four) weeks from the time of cropping up of any authorized extra / deviated item. He shall also ensure that all the authorized claims are included in the final bill. If the contractor fails to submit his claim within the stipulated period or the period duly extended by the UTIITSL Engineer, then the UTIITSL shall proceed to fix the rate for the item(s) and the same shall be final and binding on the contractor.
- h. The Contractor shall note that Extra/Deviated items claim and/or any other claim whatsoever if submitted after submission of his Final Bill, will not be entertained and considered. The Contractor shall not be allowed to make any Additions/ Alterations/ Revisions / Changes/ Modifications/ Variations in the final bill, after the final bill is submitted by him.

K. DISPUTES TO BE FINALLY DETERMINED BY UTIITSL

The instruction, decision, opinion, direction, certificate or valuation of the UTIITSL with respect to all or any of the matters including which come under clauses except clause on DEVIATION, VARIATION, EXTRA / DEVIATED ITEMS AND PRICING (which matters are herein referred to as EXCEPTED MATTERS) shall be final and binding on the parties hereto and shall be without appeal. Any other decision, opinion, direction, certificate or valuation of UTIITSL or any refusal of UTITISL to give any of the same shall be dealt with as mentioned hereinafter.

M. The work will be awarded to the agency that has given the lowest rate (L-1).

Additionally;

- a. The L2 will be asked to confirm if he can do the work at the lowest rates quoted by L1.
 - b. If the L2 gives a letter confirming that he is ready to carry out the work at the lowest rate (L1), then it can be considered to award the work to him also. The condition of this award of work to L2 on the rates of L1 will be as under:
 1. When L1 denies in writing that he does not have capacity to do the work.
 2. When it is observed by UTI Infrastructure Technology And Services Ltd. that L1 has not attended the work and completing the same in time.
 3. When defects are found in the work of L1.
 4. When L1 does not take up the work as assigned within the stipulated time period as mentioned in the work order.
- The special conditions annexed with this notice have to be strictly followed.

UTI Infrastructure Technology And Services Ltd.

SPECIAL TERMS AND CONDITIONS OF THE TENDER

1.0 ROLES AND RESPONSIBILITIES

- 1.1 The Tenderer should quote for Supply, Installation, Testing and Commissioning and warranty services for all the equipment as per the tender requirements along with on-site comprehensive warranty for 12 months.
- 1.2 Tenderer should guarantee availability of spares support for the period of next ten years after warranty period as mentioned.
- 1.3 The work shall be carried out by skilled licenced electricians before after office hours and on Holidays on prior approval.

2.0 MANUALS AND DRAWINGS

- 2.1 Before the issuance of acceptance certificate by UTI Infrastructure the Tenderer shall supply **two original copies** of an operation and maintenance manuals together with all the drawings.
- 2.2 The Tenderer shall provide complete technical documentation/s for the product supplied. All the manuals shall be in English and the drawings should be clearly indicative of product supplied.

3.0 SPARES

The Tenderer shall keep available, in his stock, such spare parts as are necessary for ensuring minimum downtime. **Tenderer will keep necessary spares at all service centers across India, during the warranty period as well as for the annual maintenace services for ensuring smooth functioning of the machines.** Tenderer should also furnish list of spare parts that he will be maintaining at site during AMC for immediate replacement of the faulty components and will replenish the used spares within a period of 48 hours.

Client ID	60
Tender No.	1141
Page no.	27/39

4.0 WARRANTY—12 MONTHS FROM THE DATE OF HANDING OVER.

5.0 PAYMENT OF BILLS

The following payment terms shall be made applicable: As stated in page no 10

a. Final Bill

- i) The Tenderer shall submit the final bill within 30 days from the date of issue of virtual completion certificate with all relevant information and details.
- ii) UTI Infrastructure will release the payment within 15 days of submission of final bill from the Tenderer, shall issue a certificate of payment against the final bill to The Chief Commissioner Income Tax, who shall upon date of receipt of the certificate, release the balance payment to the Tenderer after effecting all recoveries including advances, if any and payments against interim certificates.

6.0 Acceptance of the Tender:

In general, the lowest Tenderer for a particular project will be awarded the work based on his rates quoted and the quantities of the work proposed to be executed for that project.

The rates quoted by the Tenderer should be valid for the contract period.

In the event if one particular Tenderer is emerging as the successful Tenderer for the entire project and the Tenderer expresses that he cannot carry out the jobs in the project within stipulated time mentioned in the tender and / or the UTIITSL convinces that, the Tenderer shall not be able to execute more projects at the same time, the UTIITSL may carry out the work through other Tenderers by rationalising the amount. The following method would be adopted for finalizing the Tenderer:

- The other Tenderer may be advised to carry out the project at the quoted rates by the lowest Tenderer.

The following aspects will be considered while taking decision on award of multiple / repeat work.

Client ID	60
Tender No.	1141
Page no.	28/39

- The Tenderer's ability to carry out multiple project both financial, technical supports, availability of labour force, tools and plants required for completion of the project.
- Adhering the time schedule in the first project.
- Adhering to the Bar chart.
- Co-ordination with various agencies involved in the project for the smooth implementation of the project.

The above terms and conditions are acceptable to us.

PREAMBLE TO THE BILL OF QUANTITIES

1. The work proposed is to be carried out at the Office premises mentioned on the cover page (no.1) of the tender. The premises are proposed to be provided with Furnishing, civil, Electrical and LAN cabling works. The quality of work proposed should have the best workmanship. The contractor should ensure that only the first quality materials mentioned in the list of material is purchased for the project.
2. The work should be carried out in such a way that the structure is not disturbed.
3. Any difference / discrepancies in the specification should be clarified with the Engineer in charge before submitting the tender. The Engineer in charge will have the liberty to modify the specification to a reasonable limit to suit the basic concept during the course of work; the tenderer should carry out such work with out any extra cost.
4. In case of any major modification such items will be considered as an extra item. Payment for such items will be paid based on the Engineering rate / Market rate analysis. 15% of the total cost of material and labour will be considered as tenderer's profit.
5. The contractor should co-ordinate with the other contractors employed at the site for smooth flow of work.

Note:

1. Rates to be quoted by the tenderers in the item rate tender in figures and words shall be accurately filled in, so that there is no discrepancy in the rates written in figure and in words. However, if a discrepancy is found between the rate written in figures and rate written in words then the rate which correspond with the amount worked out by the contractor shall be taken as correct.
2. If the amount of an item is not worked out by the tendered, or it does not correspond with the rate written either figures or in words, then the rate quoted by the tenderer in words shall be taken as correct.

Client ID	60
Tender No.	1141
Page no.	30/39

3. Where the rate quoted by the tenderer in figures and in words tally but the amount is not worked out correctly, the rate quoted by the contractor will be taken as correct, not the amount.
4. The scope of work includes the supply as well as installation of all the items mentioned below.
5. The rates to be quoted should shall be inclusive of all taxes, also include transportation cost, Octroi , VAT, Entry Tax, loading , unloading charges but excluded service tax on work contract.

6. **Evaluation Criteria:-**

Total cost of ownership including the Supply, Installation, Testing and Commissioning of GI Ducting for Airconditioning system in the office of LIC HFL, , **B-1 Level, Survey No.88, Opp.Mitsubishi Showroom, Madhapur, Serilingampalli** Hyderabad, mentioned in tender will be considered for arriving at final price quoted by the Tenderer.

For arriving at lowest (L1) vendor, total cost of ownership (TCO) will be considered, which will consist of Cost of Equipments, erection, testing, commissioning. Work order will be placed with L1 vender subject to our tender terms and conditions.
